ECTS-EUROPEAN CREDIT TRANSFER SYSTEM

TRANSCRIPT OF RECORDS

transnationale Universiteit Limburg (Belgium) - School for Information Technology

NAME OF STUDENT: Bisschops

First Name: Lode

Date and place of birth: 27.04.1998 - Geel (Belgium)

Gender: Male Matriculation UHasselt: 1644060

Course Unit Title of Course Unit

Local Grade (2) ECTS Grade (3) ECTS Credits (4)

Code (1)

Date: Diepenbeek, 07/07/2022

- (1) Course unit code: Refer to the ECTS information Package
- (2) Local grading system:

For each subject taken marks between 0 and 20 are allocated. These assessments should be interpreted as follows:

18 - 20: excellent; 16 - 17: very good; 14 - 15: good; 12 - 13: good pass; 10 - 11: minimum pass; < 10: failure;

A.: unjustified absence; J.A.: justified absence

(3) ECTS grading scale

The convertion from local grades to ECTS grades is based on the statistical distribution of grades, using the following scale:

A: >=17

B: 15-16

C: 13-14

D: 11-12

E: 10

FX: 8-9

F: <8

(4) ECTS credits: a full-time student on "model course" is expected to take 60 credits per academic year.

Note: More information about ECTS can be found on our website (www.uhasseit.be/english).

K = exemption through mastery of previously acquired competences at another institution
